Supervising Engineer

The facility operates an active municipal solid waste landfill. This permit consists of a LFG collection system, landfill condensate/leachate collection/treatment system, LFG combustion enclosed flare station and LFG combustion turbines at this facility.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance, unless such permit has been renewed. Accordingly, the above facility has submitted a Title V renewal application and requested that AQMD renew their Title V permit. The proposed permit incorporates updates to the facility information, as provided in the facility's Title V renewal application, as well as updates to all rules and regulations that are currently applicable to the facility. As required by Title V of the federal Clean Air Act, the Title V permits include all of the emission limits, applicable requirements and operating conditions imposed on the equipment. The facilities are required to certify compliance with the Title V permits in addition to recordkeeping and mandatory reporting of any deviation from the permit conditions.

The proposed permit is available for public review at AQMD, 21865 Copley Dr., Diamond Bar, CA 91765, and at the Agoura Hills Public Library, 29901 Ladyface Court, Agoura Hills, CA 91301. The

proposed permit can also be viewed at www.aqmd.gov/webappl/publicnotices/search.aspx by entering the facility ID number. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. **Anyone wishing to comment on the issuance of the proposed permit should submit their comments in writing by February 14, 2012. Written comments should be submitted to:**

Attention: Angela Shibata
AQ Engineer II

If you are concerned primarily about zoning decisions and the process by which this facility has been sited at this location, you should contact your local city or county planning department. For additional information, please contact Ms. Angela Shibata at (909) 396-2737 or by email at ashibata@aqmd.gov.

The public may request the AQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Angela Shibata at the above AQMD address. The public hearing request must contain all the information requested on the form in order for the AQMD to determine whether or not the request is valid or if a public hearing will be held. The public hearing request forms may be obtained from the AQMD by calling the Title V hotline at (909) 396-3013, or downloading from the internet at <http://www.aqmd.gov/titlev>. **Any request for public hearings must be submitted to the AQMD no later than January 31, 2012. A copy of the hearing request must also be sent by first class mail to the facility contact person listed above, at the same time.**

For your general information, anyone experiencing air quality problems such as dust, smoke or odors can telephone in a complaint to the AQMD by calling 1-800-CUT-SMOG (1-800-288-7664).
